Notes

- Cells with no shading are for measures with no change in performance or de minimis reductions (less than 1%).
- Data are preliminary.
- Measures first reported in 2013-14 will serve as the base year for comparative purposes.
- 2017-18 is the first year that a majority of freshmen students reported SAT scores under the new scoring structure which have a higher average than the previous version.
- The THECB changed the methodology for calculating this measure. Previously, only baccalaureate recipients were included. Starting with the 2017-18 60X30 measure, all degree level recipients will be included.

Progress Card Definitions

Nationally Competitive Research University

1.a. Total Research Expenditures: Total research funds from all sources expended during a fiscal year and reported to the National Science Foundation (NSF). (Data source: UH Division of Research)
